

**NATIONAL SENIORS COMMITTEE**  
**ADDENDUM TO THE TSA CODE OF CONDUCT**

**APPROVED 2019**

1. Seniors Tennis will operate under the **TSA Code of Conduct** with the following adaptations:
  - I. Seniors will be penalized using the suspension table but not the fines table.
  - II. For the purpose of the Coaching Rule, a “coach” in Seniors will include any representative, relative and/or supporter of a player.
  - III. Point 6.2.1 “Executive Committee” - TSA should inform the NSC.
2. Referees and Officials at Seniors Tournaments are required to implement the code of conduct on site if at all possible so that on court and on-site matters can be dealt with immediately.
3. In cases where a matter falls outside of the normal code of conduct offences, the matter must be referred to the NSC for further action as soon as possible following the incident. If deemed necessary, the matter will be escalated to the TSA Disciplinary Committee.
4. Official complaints received in writing by the NSC will be dealt with internally and referred to the TSA Disciplinary Committee if necessary. Any complaints sent directly to TSA about Senior Tennis should first be referred to the NSC for their consideration.
