

## UAE BADMINTON SENIOR ELITE TOUR 2026

The **UAE Badminton Senior Ranking Tour 2026** is a structured national circuit designed to promote the growth and development of badminton across the United Arab Emirates, with a special focus on senior athletes. This initiative aligns with the UAE's broader vision of encouraging an active and healthy lifestyle while fostering a competitive sporting culture among residents.

By establishing a well-organized and transparent competition framework, the tour brings together senior players from across the country, providing them with consistent opportunities to compete, enhance performance, and gain recognition through an official national ranking system.

### **Purpose of the Senior Ranking Circuit**

The Senior Ranking Circuit is established with the following key objectives:

- To provide senior players with a structured and competitive platform across defined age categories.
- To establish an official UAE ranking system for senior badminton athletes.
- To create pathways for sponsorship, partnerships, and investment opportunities within the sport.
- To facilitate talent identification and selection for international senior championships.
- To strengthen the senior badminton community and elevate the profile of the sport within the UAE.

### **Ranking System and Points Structure**

Players earn ranking points based on their finishing position in each tournament, which contribute to their overall standing in the UAE Senior Rankings.

For doubles events, both partners are awarded equal ranking points.

Position	Points
Winner	400
R/up	340
3/4	280
5/8	220
9/16	152
17/32	92
33/64	36
65/128	17
129/256	7

This structured points system ensures fairness, consistency, and transparency in evaluating player performance across all ranking events.
