GSAPP RECOMMENDS

Collage by Adeline Chum, Jules Kleitman, Aditi Mangesh Shetye

- The Fall 2021 Tech Sequence elective “[Making Kin with Biomaterials](#)” led by **Chris Woebken** is transforming the project space 1014 into a hyper-reality testing environment that explores the question: What might it feel like to live in New York City after fossil fuels? Using guided speculative role play and co-created moments of immersion, participants are encouraged to experiment with new values and beliefs that might emerge in a post-petro world. The event features installations by GSAPP students **Tashania Akemah**, **Adeline Chum**, **Ethan Davis**, **Jules Kleitman**, **Yingjie Liu**, **Brianna Love**, **Gloria Mah**, **Camille Newton**, **Aditi Mangesh Shetye**, **Kaeli Streeter**, and **Carmen Yu**, as well as a film by artist **Christoph Girardet**. Visitors are invited to sign-up for upcoming sessions with “lead speculators” below, together with **Alexander Klose** and **Chris Woebken**:
 - **Dan Taeyoung** and **Dr. Elizabeth Hénaff** on Oct. 28 at 6:30PM – [Register](#)
 - **Aristilde Kirby** and **Frank Morales** on Oct. 29 at 6:30PM – [Register](#)
 - **Ayodamola Okunseinde** and **Ben Holbrook** on Oct. 30 at 6:30PM – [Register](#)
- Assistant Professor **Hiba Bou Akar** delivers the lecture “Sedimented Urban Futures: On Housing and War Displacement in Beirut, Lebanon” on Oct. 25 at 12:30PM EDT hosted by McGill University. Details [here](#).
