Dialogues on Climate Justice

A panel discussion among **Daniel Borrero**, **Dr. Victoria Keener**, and **Ariella Maron**, moderated by **Hugo Sarmiento**, Assistant Professor at Columbia GSAPP.

Climate justice is a leading issue for planning practice and cities. This panel with leading practitioners and activists in the region will grapple with questions about how climate justice is being defined, by whom, and the implications of this for urban planning.

The Lectures in Planning series is organized by PhD students in the Urban Planning Program at Columbia GSAPP.
