Greetings,

We are excited to partner with your organization to make tremendous impact towards community development, community beautification and the strengthening of the Southeast Queens communities' small businesses and residents. We have added some additional perks for your sponsorship of this festival.

We hope that you will support our upcoming I LOVE MY COMMUNITY FESTIVAL on Saturday August 27, 2016 as together we work towards creating a brighter, safer more thriving community of the jewel that is SE Queens.

We are planning a wonderful, fun filled, educational day at Baisley Pond Park. We will have steelbands, elevator pitch competition, musical performances, games, fishing, vendors, bouncy houses, horse rides and much more. We hope you can make it out.

We are making flyers now and would love to put your name and logo on promotional materials as one of the supporters of this community development initiative.... Thank you for your support! Please see sponsorships packages attached.

Thank you.

Best Blessings,

*Rev. R. Simone Lord*
