Bees and Birds Tour

We believe that Music is sacred to all, and that it reaches others everywhere... Hence the name, "M.I.S.T.A. R.O.E."

Where is the love? The Bees and Birds tour is about restoring love and promoting more love in our communities. It's about setting a high bar for expected acceptable behaviors. There's an issue right outside your front door. Raising awareness, the issue is only part of it. We believe music plays an integral part, if not the GREATEST impact on what flows into society. R&B music is all about love.

R&B music can calm the environment. Music meets the needs of MANY by letting us know it's okay to love in spite of. We can choose to fight fire with fire, or someone can choose to be water for a change. In essence... We choose LOVE.

Determined to bring the love back, R&B artist Mista Roe is embarking on his inaugural, independent 37 city national tour commencing May 31, 2018 in Arlington, TX and concluding Aug 18, 2018 in New York, NY featuring several multi-platinum artists and other celebrity guests at each of the 37 concert stops. He's using this tour to fulfill social responsibility by giving to a worthy cause.

Traveling across the Country...

RnB King of Shreveport

Everything that I am, everything that this brand has accomplished, everything that I've ever strived to do is because of all of you. From the streams and follows, to the video plays, the likes, the shares, the reposts, the word of mouth to all of your loved ones, I just want to say thank you. Without you, there could NEVER be a "Mista Roe". I sincerely hope that my movement has encouraged you to pursue your own dreams at all costs. I hope that you never let ANYONE tell you what you CAN'T do. Anything that you set your mind to and work hard at is achievable.

I wanna send a special shout out to the city that made me who I am... That little ole place at the northern part of the Boot state. The place where the water is muddy red, Where the crawfish is plentiful, Where the legendary Dj Doc Cooley blazes the wheels of steel, Where "Profyle" hails from, Where the Good Times always roll. Shreveport, "I LOVE YOU"!!! This is OUR time. One Time For My City!!!
