## Dear Prospective Vendor,

Shenoba hosts events such as but not limited to 5K Runs, tradeshow, fashion shows, and corporate parties. Not only do we host events but we also provide our clients with event consultations and assist in any planning for occasions that come our way!

On October 8<sup>th</sup> 2016 Shenoba will be hosting the 2<sup>nd</sup> annual Superheroes VS Villains 5K Run/Walk at Magnuson Park! This will be an exciting event for our organization to host as well as a unique opportunity for you as a vendor. Our first 5K run that was hosted last summer in Seattle, WA was on August 31<sup>st</sup> 2015 at Magnuson Park! We had a total of 250 participants. On average attended participants in typical 5k runs do not exceed 100 participants. With the unique themed idea: Superheroes VS Villains we had a great turnout and a positive response from our runners.

Once applied as an official vendor for this event your organization precedes with, your name will be promoted for months preceding and following the 5k runs. Our organization is confident in the services that we have to offer for our clients as well as for our vendors. This packet includes information what will be included for being a vendor.

## WHY BE A VENDOR?

Shenoba has created a presence in the Northeast region.

This is a rare opportunity to develop an association with an organization that holds exposure in the Asian, America, and diverse markets.

There are many benefits to you as an organization but not limited to the following:

- Exposure in a market comprised of young and middle aged consumers
- Opportunity to reach a very diverse cross-section of families and youths, and American ethnicity
- Higher priority given to your group for upcoming 5k event initiatives
- Potential for future involvement and investment
