**“SWING” ON BY FOR A TOP GOLF EVENT
BENEFITING ONE BREATH AT A TIME & THE KREWE OF SHAMROCK**

One Breath at a Time assists lung transplant recipients and their families to provide support systems throughout the transplant process. The Butterfly House offers free lodging for patients and their families who have traveled to the Tampa area to receive a lung transplant at TGH. The House is available during the initial evaluation, clinic visits, checkups, transplant and post-op care.

The Krewe of Shamrock has supported many Charities throughout the community. One of the prime charities each year has been The Shriners Wheelchair fund which provides “Special Wheelchairs” to needy children. The Krewe of Shamrock members are compassionate and caring individuals who get involved in charity events donating their time and treasures.
