**Date: November 11, 2017**

**Location: Joy District Chicago, IL**

**Purpose:** Grunt Guy Events will be raising money for two foundations.

**MedGift:** Cancer Foundation

Not only does this event provide an opportunity to raise money for both foundations but it will also help to bridge a gap between the two. Cancer affects all people to include Veterans and if these two foundations work together the impact they both can have will only grow.

**Derrick Kosinski:** Long time competitor and fan favorite

**Nany Gonzalez:** Fan favorite

**Jenna Compono:** New challenger who has a big following and recently started modeling for Maxim

**In Memory of Diem Brown:** Diem is revered by both fans and cast members and we will be remembering her at this event. She is the founder of MedGift and passed from cancer 3 years ago.
