

OUR MISSION IS TO ENSURE THAT ALL CHILDREN REGARDLESS OF THEIR RACE, SOCIO-ECONOMIC STATUS, OR ZIP CODE HAVE EQUAL POSSIBILITIES FROM THE START.

We support toddlers and their grown ups where they are: at home and in home based child care to build a more equitable future for children furthest from opportunity.

RESEARCH PROVES IT

SOCIAL EMOTIONAL LEARNING

ParentChild+ kids have (compared to control group peers):

- Increased social emotional skills
- Better language skills
- Improved pro-social behavior and self regulation skills
- More pro-social competences

SCHOOL SUCCESS

- ParentChild+ graduates are just as likely to graduate from high school as their middle class peers
- Statistically significant reduction in need for special education

CALIFORNIA
