

Asian American Pacific Islander Resource Guide

On behalf of President Eduardo Ochoa, the faculty, and all members of this Community, I welcome you to California State University, Monterey Bay. Thank you for exploring the many different educational opportunities CSUMB has to offer.

We are pleased that you have decided to join the CSU Monterey Bay Otter family and you should be proud of all that you have achieved thus far. We know that you have great expectations of yourself and hope that our campus will inspire you to meet and exceed those dreams.

The university is committed to providing you with innovation, creativity and a quality education. These are just a few of the core values we have as our mission. We know that your vision of a quality university is one that best serves its students and fosters life-long engagement, leadership, citizenship, and continuing intellectual development. We strive to create an environment that fosters collaboration, cooperation, and understanding in which our students appreciate the cultures, backgrounds, and aspirations of others.

The information in this booklet will provide you with an introduction to people, places, and things that may be of interest to you and it is only a small sample of the many resources the Monterey Bay peninsula offers. The CSUMB faculty, staff, and students encourage you to discover all that CSU Monterey Bay has to offer.

Best wishes for a successful start to your CSU Monterey Bay academic career.

Sincerely,

Ronnie Higgs, Ph.D.
Vice President Student Affairs & Enrollment Services
