URBAN PLANNING NEWSLETTER: FEBRUARY 19, 2021

In this issue, we feature insights from students and professionals on topics ranging from climate change resiliency to urban planning trends. Join us as we explore the future of our cities and communities.

STUDENT SPOTLIGHT

Derek Brennan

I am particularly interested in climate change resiliency in urban planning. As a recent graduate of NYU, I minored in Urban Studies and am currently working in the private sector.

What is your interest within the urban planning field?

What is your go-to food when you are craving something?

If you could pick up a new skill in an instant what skill would it be?

My diet in general is almost exclusively made up of the two following restaurants. And of course, impeccable public transit.

What have you been checking out online recently?

As we rapidly approach the midpoint of this semester, what have you been checking out online recently?

What is your go-to food per se, but it is an extreme comfort food: sweet cornbread with milk. Pretty sure it was first made for me.
