2016 Halloween Fun

The Cowlitz County Disc Golf Association is looking forward to presenting the 2nd Annual Longview Halloween Glow Classic Disc Golf Tournament at Roy Morse Park in Longview and is looking for your help to get families out and active this Halloween Season. Rather than handing out candy, we prefer to give families an opportunity to get up, get out and get active! Along with that, it is an absolute blast as participants will get to play a round of disc golf during the day, but also a round at night, with lit baskets, tee pads, and a variety of glowing and lit discs!

Event Timeline

12:00 PM Player Registration Starts – Players who have pre-registered will check in, pick up their player's pack which will include a Custom Stamped tournament disc, a glow sticker, a stick-on LED light, an event flyer as well as other promotional items from our sponsors. Any remaining registrations will be available for day-of sign-ups.

1:45 PM Player's Meeting – All the sponsors will be mentioned and thanked during this time. Course rules and considerations will be given, and players will be sent to their starting holes.

2:15 PM Day Round Begins! - And this is where the magic starts to happen. Players will complete an 18-hole disc golf course.

6:00 PM Costume Contest – There will be judging of costumes before the evening round, and prizes awarded for the best overall, scariest, funniest, etc...

7:15 PM Night Round Begins! – And the highlight of the evening, getting to play disc golf in the dark! Players will get to play the same 18-hole disc golf course, but now lit up for evening play with basket lights in each basket, and lights around each tee pad.

Parking

The event is being held at Roy Morse Park, and there should be plenty of parking in the back two parking lots for all attendees.

Dress Code

As this is a Halloween tournament costumes are highly recommended! There will be a costume contest for any who come in costume. For anyone else, coming in shoes they can play disc golf in (sneakers are usually fine) and appropriate clothing for the weather should be fine. Pictures will be posted at

Purpose

The purpose of this event is to raise money for school demonstrations and clinics around the area to encourage our local school kids to get out and get active by presenting a locally available outdoor recreation opportunity. Help us encourage health in our community!
