WHO WE ARE

Vinilious (vee-nee-lee-us) = vinilo + suffix -ous (full of)

Vinilious was created and is run by an educator and a speech therapist who share a love of music and art.

We support and promote diverse female, POC, Igbtq+ and allied artists here in San Antonio as well as musicians who have provided soundtracks to our everyday lives. Vinilious is our way of combining our languages, cultures, and favorite sounds into a collection of records and live music events for our community.

We have curated these sounds locally and across the world and have brought artists including Estevie (L.A.), Y La Bamba (Portland), Cancamusa (Chile), Juanpalitoschinos (Mexico), Destafrench (UK), BALTHVS (Colombia) and more to San Antonio.

COMMUNITY ARTIST ENGAGEMENT

We are avid supporters of the visual arts and jump at any opportunity we can to include local, female artists who live paint, spray paint or do printing at our live music events. We strive to pay artists for their time as they add a great element of creativity to the shows we host, not to mention, they create amazing artwork for the musicians coming through San Antonio.

VINILIOUS POP-UP, MERCADO & SPECIAL EVENTS

We sell vinyl of our favorite artists, 90% of which are female-fronted artists, and a variety of genres. We have traveled afar to bring vinyl from places like Spain, France and Mexico City to San Antonio. We have invited local artisans and vendors to pop up at our live music events and we have hosted vinyl signings, happy hours, listening parties and meet and greets to amp up excitement for upcoming musical acts and shows. We are honored to have the opportunity to invest in our community.
