## READERSHIP

Our readers are photographers, artists, designers, interior designers, curators and gallerists who are immersed in the world of photography and art. Serving as a source of inspiration and discovery of new photographers, both professional and emerging, they are supportive of the arts and their creative communities.

# THE BLACK & WHITE

## GALLERY

The Black & White Gallery originated out of our respect for black and white photography and the desire to revive high quality and simply beautiful imagery. Covering various photographic genres, including: fashion, beauty, portrait, people travel, architecture, cityscape, street, landscape, nature, animals, wildlife, figurative and fine art - there is certainly a photographic exploration to capture the reader's attention.

### ISSUE ONE

#### INNER STRENGTH

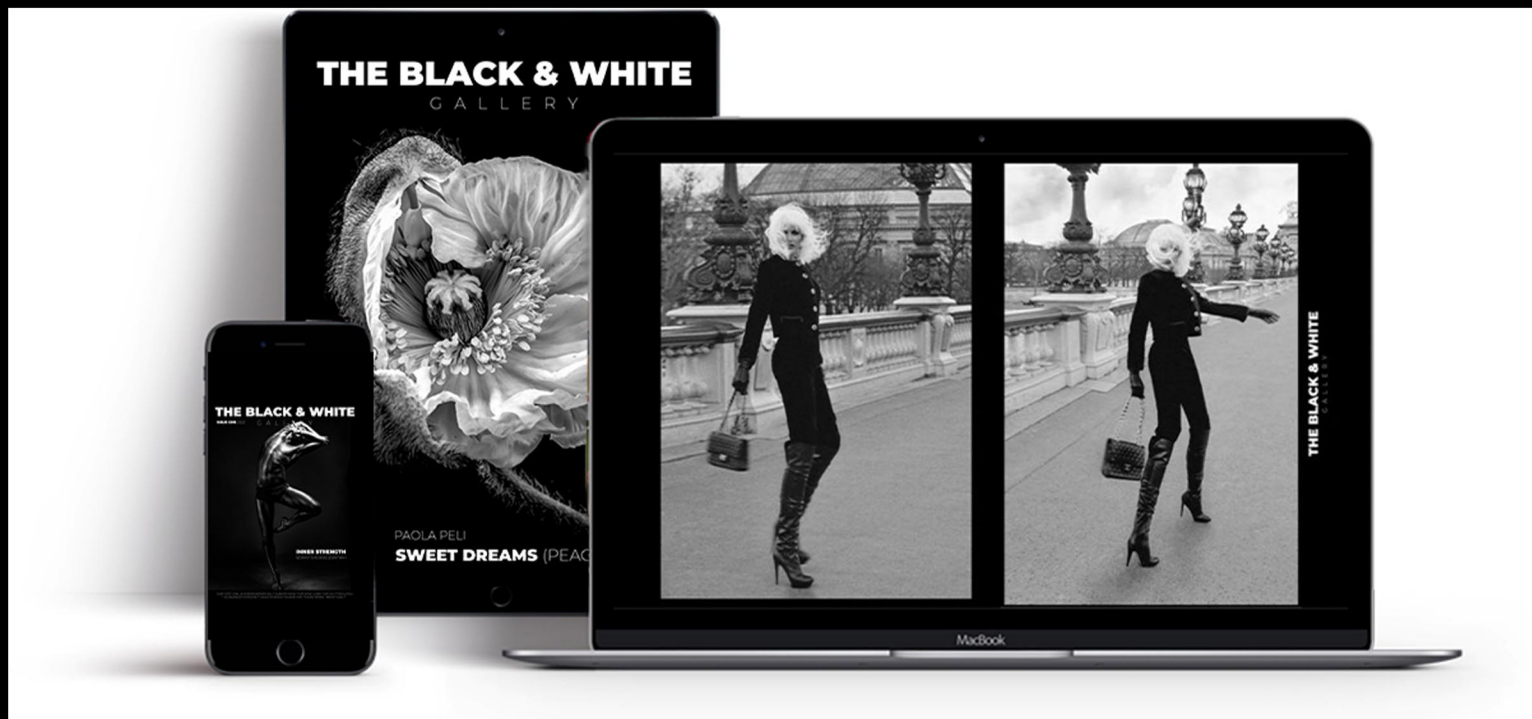

Gathering together photographers from The United States to Chile, Europe to Ukraine and Russia, this volume highlights agility and grace through dance as a predominant theme. Fragility meets resilience with dashes of fashion and a touch of humor, we hope you enjoy the beauty as seen through the eyes of our photo artists.

### ISSUE TWO

#### WILD & FREE

Issue Two begins with a ballerina from the mountaintops of Macedonia to the coast of California with its birds of prey. Wander with us in the wild landscapes of the Faroe Islands. Find inspiration in exquisite moments in time from around the world. Discover the spirit and freedom that speaks through the lenses of this carefully curated edition.
