GSAPP RECOMMENDS

The futures of cities worldwide are currently being contested, and calls to "imagine urban futures" have come to mean

- Read Assistant Professor **Hiba Bou Akar's** essay "[\(Post\)Pandemic Urban Futures and Their Contradictions](#)" in *Society and Space*, which includes Bou Akar's reflections on her collaborative work with GSAPP's Urban Planning students. Bou Akar was also recently interviewed by Lebanese National TV about her research. Watch the full conversation (in Arabic) [here](#).
- Associate Professor **David Benjamin's** '05 M.Arch firm The Living published a [video op-ed](#) on *Alive*, an installation that explores how architecture could include spaces for both humans and microorganisms. You can also read about the project in [Metropolis Magazine](#).
- **Guillermo Hevia García** '20 MSAAD and Universidad Católica collaborate with [LatinGSAPP](#) on "Expanding Concepts Around Housing," a seminar on November 3 and 4 featuring GSAPP Faculty **Anna Puigjaner**, **Ada Tolla**, and **Giuseppe Lignano**, among other speakers. Visit [Arquitectura UC](#) on Facebook to watch the live stream.
- Applications are now being accepted for the [2022-2023 Obama Foundation Scholars Program](#) at Columbia University through December 22 at 5PM ET.
