With a deeply rooted sense of family and a commitment to excellence, the Department for Persons with Disabilities (DPD) provides residential, vocational, spiritual, and social services to adults with intellectual and developmental disabilities and their families. DPD empowers each person to become active, contributing, and valued members of their community, and to participate fully in life with dignity and respect.

DPD operates 10 group homes, 2 supervised apartments and a vocational day program throughout Northern New Jersey. In addition, we provide support for people with disabilities who live in the community.

We continued to expand our services in 2017. We hired 5 new Support Coordinators who help individuals in Sussex County get the help and attention they need. Our Support Coordination program has

more than doubled throughout the last year. In addition, our Walsh House in Succasunna was purchased and upgrades were made to the home to make it accessible for the people we serve. 6 people with intellectual and developmental disabilities now call this program “home.”

Our new group home and overall agency expansion, has been made possible through our fundraisers, most notably, the **Wiegand Farm Golf Classic**.

With over 8,000 people on a waiting list to get into programs like ours, we still have work to do.

About the courses:

Wild Turkey Golf Club
Perennially ranked as one of NJ's Top Public Courses by Zagat's, Golf Week and Golf Digest. Featuring both park-land and heathland design elements, Wild Turkey's predominantly basin and ridge layout offers the most panoramic vistas at the Resort. The wide fairways and moderately contoured greens make for a very playable course across all skills levels. With a location adjacent to the new Grand Cascades Lodge, Wild Turkey is the ideal choice for a Golf & Stay experience.

Crystal Springs Golf Club
This rugged Von Hagge design ranks among “America's Top 50 Toughest Golf Courses” by Golf Digest. Comprising several holes selected within New Jersey's Top 100, Crystal Springs offers some of the most spectacular scenery in the Northeast. Although the back tees play at just 6,808, the audacious collection of moguls, undulations and cliff-lined quarries provide for an unparalleled test of shot-making and game management.

Ballyowen
The award-winning Ballyowen Golf Club was designed by Roger Rulewich, the longtime lead design associate for Hall of Fame designer Robert Trent Jones Sr. Rulewich applied all of the design knowledge he acquired from Trent Jones Sr. to create a modern day classic with links-style features that are spread out over 250 acres atop a plateau, and highlighted by 360-degree views overlooking the spirited Wallkill River. Similar to Irelands courses, the Celtic atmosphere transitions over to the clubhouse's Owen's Pub, where golfers are entertained by the serenade of the bagpiper every evening.
