AI is Everywhere... Now What?

*Jewish American Tech Network roundtable event
dedicated to the post-hype stage of AI adoption*

Save the date

November 21st, 2024 5-7:30 pm (networking will continue until 9 pm)

Dear Prospective Sponsor,

We are thrilled to invite you to be a part of an exclusive networking event that explores the practical side of AI adoption. The event will host top-notch speakers and experts that will discuss the best practices of AI adoption.

This event is part of a successful bi-annual series of events by the Jewish American Tech Network.

JATN is an exclusive, invitation-only network of tech executives, senior consultants, and entrepreneurs. Our network includes influential tech professionals, including C-level executives from various industries.

The event will include

- 2 keynote talks by high-profile speakers, who will be announced shortly
- Roundtable networking and discussions
- Panel of top tech leaders
- ***Light dinner and wine bar***
- ***Music by Ted Sablay from The Killers***

Why Sponsor this event?
