to benefit
El Sistema Colorado

This golf tournament will provide much needed funding for our non-profit. All proceeds raised from the tournament will be given in the form of a direct donation, which may be used in the way most meaningful to the recipient. Untargeted dollars like this are often the most difficult for non-profit organizations to find.

golfer registration

Golfer registration information is available online at <http://birdeasepro.com/hitachiconsulting>. The cost is \$175 per player or \$700 per foursome. Registration includes a golf cart with GPS, range balls, breakfast burrito, lunch, drinks, a player bag with appreciation gifts, and a chance to win prizes for numerous golf competitions on the course.
