The **Frances Young Tang Teaching Museum and Art Gallery** at Skidmore College has received a \$1.5 million grant from the New York–based **Laurie M. Tisch Illumination Fund** to endow an educator position and fund community educational programming at the museum, which extends beyond the museum to local community centers, schools, and libraries and reaches some 8,000 people each year. In a statement, the Tang’s director **Ian Berry** said, “By endowing our museum educator position, the Illumination Fund ensures we will be able to deliver truly inspiring and transformative moments for our diverse communities.”
