*Charity Golf Classic*

The 2<sup>nd</sup> Annual **ABIS Golf Classic** is a premier fundraising event supporting athletes on their journey through high school, college and beyond by providing scholarships, life skills training, and strategic guidance. We provide programs and services that eliminate structured, systemic barriers for Black student athletes and coaches.

ABIS was founded to connect and inspire people to boldly advocate for racial, social, and economic justice for Blacks in sports. A 501c3 Non-profit organization that strives to change lives both on and off the field. Our golf outing allows ABIS the means to do the business of being the voice of those whose voices are not heard.

# OUR PURPOSE ◀

## *Racial Equity in Sports*

Following the death of George Floyd while in police custody, Gary Charles, a pioneer in basketball coaching, reached out to youth sports and college coaches to take a leadership role in the movement for change.

An all-star group of business and sports professionals are now working together to use their influence and collective power to promote equal rights and fair treatment of Black people in all sports.
