

## Learning How to Walk on Water for Resilient Health

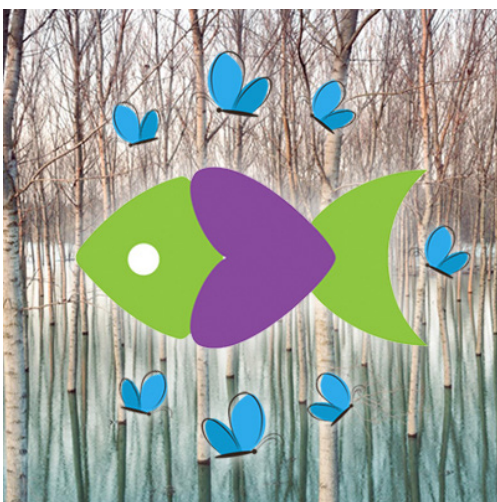

On November 7, 2019, Healing Touch of Tau, a Franciscan charity for Lymphatic Disorders and Autoimmune Disorders will host their first annual fall banquet at Riverside Receptions, along the beautiful Fox River.

On behalf of our regions' patients who suffer from Lymphatic Disorders and/or are at-risk for environmental/climate health disparities, the banquet aims to provide educational opportunities for those serving this clientele.
