Celebrating a Decade of Excellence in Governance Education

Welcome to the Caribbean Governance Training Institute (CGTI), where we are proud to have reached a significant milestone – 10 years of dedicated service in advancing governance literacy in the Caribbean and beyond. Since our inception, CGTI has been at the forefront of empowering board members with the knowledge and skills needed to navigate the complex landscape of governance in today's ever-changing world.

At CGTI, our mission is clear: to enhance the governance literacy of board members, thereby bolstering the effectiveness of governing bodies. We believe that strong governance is the bedrock of successful organizations, and our vision is to be the most admired and #1 Governance Training, Education, and Certification Institution globally.

In an era of unprecedented challenges, boards face increasing scrutiny to demonstrate accountability and transparency. CGTI acts as a lifeline for governing boards, offering world-class programs that address the unique challenges faced by local organizations in the Caribbean and beyond.
