BOSS BABES & BRUNCH

About us

Hi! I'm
Kayelani

Boss Babes & Brunch is a female identifying networking event originally founded by two successful female entrepreneurs, Kayelani and Lizbeth. While vending side by side at an event in the late summer of 2022, Kayelani and Lizbeth hit the ground running and began planning BBB after making an instant connection.

The event is designed to bring together ambitious women from various industries to connect, collaborate, and empower one another while enjoying a delicious brunch.

Kayelani and Lizbeth started Boss Babes & Brunch with a mission to create a space where women could network and form meaningful relationships with like-minded individuals. They noticed that many networking events were male-dominated, which made it challenging for women to make connections and advance in their careers. They wanted to change that and create an environment where women could support each other and build lasting relationships.

The event is held in various locations throughout the Tri-state with a mission to reach the entire country. BB&B features inspiring speakers who share their stories and provide insights into their success. Attendees also have the opportunity to participate as vendors with the ability to sell products from their small businesses.

Boss Babes & Brunch has become a popular event for women in business, entrepreneurship, and leadership. Many attendees have formed strong connections that have led to collaborations, partnerships, and business opportunities. The event has also inspired many women to pursue their dreams and achieve their goals, inclusive of full on entrepreneurship for some women.

Kayelani and Lizbeth have created a supportive and inclusive community that encourages women to take risks, pursue their passions, and achieve their full potential.

Boss Babes & Brunch is an excellent opportunity for women to network, learn, and grow.

So if you are thinking of starting a business, are a serial entrepreneur, or just looking to build your network. We welcome you in this space.

Join us at our next event, where networking is done the Boss Babes & Brunch way!
