# ERASE YOUR LIMITS

# SPONSORSHIP

#### **OVERVIEW**

In 2018, Jenni Hendrix started writing a book about her trials, tribulations and triumphs as an entrepreneur in a guided form to help others launch their businesses. In writing the book, she found her motivation through polls, research, and inquiries from women, especially, with grandiose ideas that were going nowhere. She wanted to bring the aspects of the book to life.

She wanted the workshops to launch business, the speakers to ignite the passion in the belly of like-minded individuals, and for the community of those with the Will 2 Win to be built. Being from the home of innovators, Detroit, she knew there was no better place to begin the movement #Will2Win.

#### WHY WE ARE DIFFERENT

The Will 2 Win conference is the level up from your current state in business. It is your dreams manifesting into reality with practical steps to walk into your destiny. The Will 2 Win process is simple and easy: Vision, Design, Implementation! Everything from expanding the capacity of your dreams through the pitching to investors and successful launch of your business is covered in detail by some of the most incredibly motivating people of 5 main industries: Beauty and Fashion, Entertainment and Sports, Health and Fitness, Real Estate and Investments, and Entrepreneurship in general.
