

**The University of
Warwick Basketball
Club is one of the
largest sports clubs on
campus with 4
competitive teams,
over 150 regular
players and a mailing
list of 428 people**

Basketball Club would enable
your company to reach some
of the brightest, most
passionate and committed
students from incredibly
diverse backgrounds.

COMPETITION

- Both Men's and Women's first teams have achieved 2nd place in their respective BUCS leagues
 - Won two out of three varsity fixtures with record crowds in attendance
 - Men's 2nd won the plate trophy in their local league
 - New Men's BUCS team for next season
 - Set up and run inter-university Christmas tournaments for both Men and Women's teams achieving two 1st place trophies.
- As a result, the basketball teams can advertise our supporting company's branding to a multitude of universities and local league venues around the country.
- We organize one of the largest intramural leagues in University, Warwick Basketball League, which unites more than 90 students from all over the world each term.
 - We also have skills sessions, beginner sessions and open sessions weekly and mini-tournaments, Wheelchair Basketball sessions and charity events throughout the year attracting even more participants

WARWICK BASKETBALL SOCIETY IN NUMBERS

WARWICK BASKETBALL SOCIETY IN PICTURES

COMMUNITY

This year we set up and run a schools outreach project where we went into a local school and taught Basketball to complete beginner's in a fun way. This both benefitted the local community but also enhanced the coaching skills of our exec team and members of the club.

OUR CHARITY INITIATIVE

This year we have stepped up our efforts to try and give back to society by supporting the charity Whizz-Kidz. Whizz-Kidz is the working name of The Movement for Non-Mobile Children (Registered Charity Number: 802872). The organization strives to improve the lives of disabled children along the UK, providing them with the necessary equipment and helping them develop into confident and independent young adults. Warwick Basketball Club regularly organizes 3 on 3 tournaments for Warwick University students where all proceeds are donated to Whizz-Kidz. This year we also organized Valentine's Day Charity and Christmas and Easter events that were a massive success both in terms of donations and participation. We are proud to say that during the academic year 2015-2016 we have managed to raise more than £600, which we hope to exceed in the following years. For the club's continued community work, we achieved the Sportmark Gold Award in the community section – the only club to achieve this in the academic year 2015/16.
