# Stars Ball

**The Philadelphia Chapter was founded in 2006 by Jeff Mullen and Steve Grandizio after being inspired by the work of our founding chapter in Florida. Since then, Little Smiles of Pennsylvania has partnered and served hospitals, shelters and other children's services throughout the tri-state.**

**Our signature Stars Ball, once again brings children into the spotlight that have demonstrated outstanding grace and courage while faced with challenging situations.**

# OUR PROGRAMS, WITH YOUR SUPPORT

## JUNK FOOD RUNS

Little Smiles signature service is facilitating monthly “Junk Food Runs” for some of our partners. Hospital food can get very boring, very quickly and sometimes a pizza party or a special treat is just what a patient needs to feel like a kid again.

## ART + MUSIC = SMILES

The program is designed to provide events that incorporate creative arts, music and other fun activities with the intention of providing a distraction from the hospital environment. We strive to make the setting a more comfortable and less stressful climate for a few hours to help the children escape their challenging situations. These events allow inpatient as well as outpatient children and families to attend.

## HEARTS APART

This program provides military kids and their families with social activities that allow them to come together, build friendships and ease the strain of separation from their loved ones.

## LITTLE THINGS FOR LITTLE SMILES

With the guidance of local professionals such as doctors, nurses, child life specialists and social workers, we strive to help kids escape their unfortunate circumstances, even if only for a short period of time. We fulfill special requests and host special events for the kids with our partners cultivating a supportive environment for families and healthcare workers. Whether we are stocking a snack pantry or celebrating a holiday, we love to deliver whatever is needed to make a difference in a child's life.

## SMILES FOR SERVICE

This is an opportunity to celebrate the children of the many men and women who sacrifice so that others may live in comfort and peace. It is easy to forget that Nurses, Doctors, Members of the Armed Forces, Police Officers, Fire Fighters, EMTs, Teachers etc are also Moms and Dads! If you selflessly serve, we will celebrate you and want to support you and your family!
