Use the space below to provide any relevant information to consider while reviewing (not required):

You will be notified by email within 4-6 weeks if your title is accepted or unaccepted. Printed Matter doesn't offer return service for submissions. In the event that your book is not accepted it will be donated to 8-Ball Library, which maintains an extensive archive of thousands of publications, from their own productions, donated works from fairs or by mail, and individual discoveries made at outside events and bookstores. Some of the submissions received will enter the archive while others will be donated through their partnership with Friend of a Friend to help distribute books to the unhoused community of NYC.

Before submitting your book, please take a moment to read the FAQ regarding our submission process at printedmatter.org/services/submit-your-book.
