INVITATION LETTER

Dear Sir/ Madam,

We would like to inform you that ANALOGIO Festival is going to take place in Athens from the 21st to the 26th of September 2019. This year's edition, under the motto *In memory we trust*, features presentations of Greek plays, rich educational programs and performances and as special guests, plays from Brazil, Iran and Switzerland. In addition, ANALOGIO Festival presents the International Scientific Symposium «*Ancient Greek Drama at the intersection of Politics and Performance*» in collaboration with the National and Kapodestrian University of Athens and the Department of Hellenic Studies in the University of Montréal, and also hosts the International Playwrights' Forum meeting.

Following the conversations you had with Professor Pavlos Kavouras, it would be a great pleasure to include in our 2019's program an Indonesian group of professional and experienced dancers, musicians and performers (around twelve to fifteen persons). In this context, we would appreciate it if you could propose us a group and undertake its expenses such as international flights, transportation, accommodation etc. After the performance your Embassy may give a reception at the theatre. We believe that presenting an Indonesian group to our Festival is of great importance for both Greece and Indonesia; it is a unique opportunity for a fruitful cultural exchange to be achieved.

In a few days you are about to receive a detailed program of ANALOGIO Festival.

Please note that all the activities of ANALOGIO Festival (performances, educational programs, workshops, conference, roundtables etc.) will be free for all the members of the group that you will suggest.

Do not hesitate to contact us for anything you may need.

Kind regards,

On behalf of the ANALOGIO Team
