YouTube channel (youtube.com/rachelstarlive) with 10 Million views. Had her videos go viral multiple times totaling over **100 Million views**.

Show Summary:

Episodes would feature 2-3 smaller stunts followed by a larger stunt. An opening stunt that is pushing limits of what is possible followed by 1 to 2 stupid funny stunts and finally a large crazy stunt.

Each stunt would include quick set up, attempts and fails. After final larger stunt wrap of outtake/fails of each.

How is STUNGGIRL different?

STUNTGIRL features just Rachel Star Withers pulling in the viewer with the stunts filmed close as if they are right in the action. You want to look away but can't.
