Apostle Barbara Green

- **Ordained Minister since 1984**
- **Pastor & Founder Greater Dimensions International Ministry**
- **CEO, Apostle Barbara Green Enterprises**
- **Director, Hats that Heal**
- **Executive Director, Apostle John E Shingles Foundation**

Apostle Barbara Green is an ordained minister, counselor, life coach, and entrepreneur. She has organized and facilitated women retreats, beauty summits, conferences, ordination services and seminars. Barbara attended Edward Waters College Business Administration and Truth Bible College & Seminary-Biblical Studies.

Apostle Green answered the call to ministry at age 15. Pastoring and laboring side by side under the direction of her father, the Honorable Apostle John E. Shingles of the Solid Rock Ministry, she worked over 33 years diligently, faithfully, and untiringly to help forge the ministry God placed to his charged. 11 years ago, God promoted her to Pastor and Founder of the Greater Dimensions International Ministry.

Apostle Green accepts the precious privilege and awesome responsibility of seizing every opportunity to help others in need and deposits the Gospel of Jesus Christ into the lives of God's people. She stands as a strong example of a virtuous woman with the power to provoke, inspire, change, challenge, and motivate. Women of all ages flock to her to glean from her wisdom, guidance, and instruction through her outreach and evangelism exercises. Barbara has a profound ability to restore the dignity of families in their time of need or sorrow.

Apostle Green is highly respected and highly regarded in the city for her community works, and efforts with sick, terminally ill, disadvantaged, poor, homeless and hungry. She is highly respected and greatly loved servant of God.

Fun Family Activities

Free Healthcare Screening

Gospel Choir Concert

Hats That Heal

Every year, we give food, clothes, and comfort to over 300 economically disadvantaged single mothers, seniors, and homeless in the Jacksonville area. Also, we furnish about 50 kids with back to school supplies. In the 10 years we have performed these services, my small Ministry have been fortunate to help over 3,000 in-need individuals.

This fundraiser will help us do more, like provide healthcare screenings, beauty makeover for cancer patients, and free hats for women and children who have no family or support. My Ministry is called Hat that Heals; its mission is to help and encouraged those who need help, in pain, sick, dying and have suffered loss.

World Renowned Gospel Choir

The internationally acclaimed Florida A&M University Concert Choir. For nearly sixty years, the FAMU Concert Choir has maintained a standard of choral excellence. The University Choir performs a diverse repertoire that spans the genres of classical, jazz, contemporary, spiritual, gospel, and other multicultural styles. The Choir's goal is to promote and cultivate the understanding of choral music and performance as an imperative medium of artistic value and musical expression.
