

Dear Sponsor | Donor,

Thank you for allowing us to share important information regarding our fund-raising event for the Janet Weis Children's Hospital located in Danville, PA.

This event will be a two-day event headlining many outstanding bands that most of us have grown up listening to on the radio. By bringing each of these bands together, on one stage, for one event, is something most people have only dreamed of happening.

At this time, bands such as *(May not be actual bands performing.)* Jack Russell's Great white, Derek Saint James (Voice of Ted Nugent), Lita Ford, D-Snyder Quiet Riot, 7800 Fahrenheit (Poison Tribute), DILF USA, and The Jack (ACDC Tribute) are on-track to perform at the first annual Rocking to Heal Little Hearts event in May 2023. **Please note this line-up is subject to change as the planning phases of the event progress.**

If you or your company would like to become an event sponsor or an event donor or find you would like more information regarding the event, please contact our event coordinator using the provided information below. You may also visit our website at: <https://drrayproductions.wixsite.com/rocking-to-heal-litt>. We can't reach our donation goal without the help of our local community. Together, we can help move the Janet Weis Children's Hospital into the future.
