

## MARKETING ADVOCATES MEET & GREETINGS

### Real Estate Networking Meet & Greets

Our mission is to develop networking opportunities for local Real Estate businesses where they can learn more about one other, and discover new partners that will help them gain access to a growing consumer market. The re-emerging real estate Market has IMPACT and it is very important that everyone work together if we are going to succeed! During the economic downturn business has seen a steady increase in diversification over the past several years and the engagement of new customers has dramatically changed. Our events converge on this change!

**Come Build Your  
Business With US!**

Our Meet & Greets are designed so Real Estate and Business professionals can network and grow their business. Bringing together professionals with other business owners in various industries to break out of their comfort zone.

Business owners are looking to better position themselves in reaching a larger consumer base, whereas participating in our events they can now not only increase their network but also learn how to grow their business according to the changing climate. We tailor our events and customize engagement between our Sponsors and professionals in these industries, making it a more viable environment for both attendees and companies to participate.

We offer Sponsorship opportunities for our Meet & Greets and Seminars. These events bring together business owners from many industries, which offer our sponsors the best possible return on investment, in providing new potential sales, referrals and branding opportunities. Industries we target include but are not limited to the following: Real Estate, Financial, Construction, Entrepreneurs, Small Business Owners & more.

We offer FREE Sangria and Appetizers at various venues throughout New Jersey. Attendance of approximately 50 – 100 on a regular basis.
