JOIN US FOR A GALA CHARITY BALL in aid of Make-a-Wish Foundation

The evening's delights begin the moment you enter The Bloomsbury in Central London.

There will be music, dancing, entertainment, fine-dining and mingling.

Meet the movers, shakers and change makers of UK along with members of the press, media and the charity who will share some of the touching stories from Make-a-Wish Foundation.

"When a child is fighting a life-threatening condition, their future is uncertain. Their whole family's world is turned upside down. That's why wishes are so important. Once their most cherished wish is granted, a child will see that anything is possible. It gives them and their family the emotional strength they desperately need to fight their condition and hope to face their future – whatever it might hold."

A fun-filled black tie evening and to support the worthy cause.
