# EVENT OVERVIEW

---

We are excited to invite you to partner with us for Kitties, Canines, and Cruisers: Motorcycle Rescue Rally, a large-scale, alcohol-free motorcycle ride and community festival benefiting animal welfare organizations.

The event features a poker-run-style motorcycle ride that culminates in a destination festival with cat and dog adoptions hosted by multiple participating shelters and rescues, local vendors, food trucks, live entertainment, raffles, and interactive activities.

The rally is designed to bring together riders, families, pet lovers, and community supporters for a full-day experience centered on connection and impact.

Sponsorship provides high-visibility, in-person engagement with attendees throughout the event. All sponsors receive on-site booth space, with placement prioritized by sponsorship level to maximize foot traffic and exposure.

Sponsor logos are featured across multiple platforms, including the event website, printed promotional materials, event T-shirts provided to all registered riders, and social media promotion. Top-tier sponsors also receive logo placement on our 18-foot adoption trailer, providing ongoing recognition that extends well beyond event day and into future community outreach and adoption events.

# WHY PARTICIPATE

---

Participating in Kitties, Canines, and Cruisers: Motorcycle Rescue Rally offers organizations the opportunity to be part of a high-impact community event that brings together local businesses, riders, families, and animal lovers around a shared cause. Beyond brand visibility, participation supports lifesaving work, strengthens community relationships, and creates authentic, face-to-face engagement in a positive, mission-driven environment.

## Give Back Locally

Support animal welfare organizations working directly in your community. Your participation helps fund medical care, foster placement, and adoption efforts for cats and dogs in need, with tangible impact that stays local and visible.

## Earn Meaningful Recognition
