"GIVING"

CHARITABLE ELEMENT

At the heart of **Rooted In Rhythm** it is more than just a music showcase. It's an opportunity for aspiring artists and creatives to gain hands-on experience in the music industry. Mentees will have the chance to shadow and learn from industry professionals, observing the entire process of executing a music showcase, from planning and promotion to performance and production.

In addition to fostering talent and providing invaluable mentorship, a portion of the proceeds raised from this event will be dedicated to replacing instruments, equipment, and art supplies lost in the recent wildfires in L.A. This initiative not only supports emerging artists but also gives back to the community in a meaningful way, making a positive impact on those affected by the disaster.
