70s•80s•90s Outdoor Summer Throwback Experience

Official Executive Sponsor Packet

Presented by JAB MUSIC LLC

345 is a professional entertainment group bringing the music of the 70s, 80s, and 90s to audiences through a high-energy live concert experience. This packet outlines sponsorship opportunities for businesses seeking visibility and community engagement.

About 345 & JAB MUSIC LLC

Founded in 2025, 345 is a dynamic live entertainment trio managed by JAB MUSIC LLC, an Indiana-based entertainment company dedicated to delivering exceptional musical performances and creating memorable community experiences. The group's name honors the members' lifelong friendship, representing their high school graduation years—2003, 2004, and 2005.

Although officially formed in July 2025, the members had already spent years performing together in church choirs, community choirs, and other musical groups. Their musical journey included appearing as background vocalists during Kokomo's 2025 Juneteenth Summer Celebration before making their official debut as 345 with a live performance called "345: A Soulful Christmas" in December 2025.

Backed by live musicians, 345 performs an energetic blend of R&B, pop, funk, soul, gospel, and smooth jazz, delivering more than a concert—an engaging entertainment experience. Since its debut, the trio has continued serving the Kokomo community through performances, including appearances at The Crossings at Kokomo, while pursuing original music and expanding its vision into broader entertainment ventures that inspire, connect, and bring people together.

Your partnership helps make these experiences possible.
