## Fintech Product

# About us

---

efundbook.com is World's No.1 Financial Networking Platform.

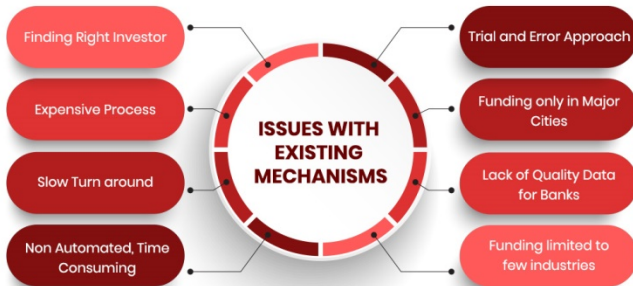

Owned and Maintained by Proximate Consultancy Private Limited, it is based out of Mumbai, India and holding company based in London, United Kingdom.

efundbook is an ONLINE PLATFORM, the best Investment and Funding Marketplace for everyone across India and World. It is like FACEBOOK, a meeting ground for everyone in the business fraternity, viz-a-viz, Businessmen, Innovators, Business Sellers, Investors and efundbook Agents (Intermediary).

It enables fund seekers and business sellers to showcase their business idea, detailed business proposal along with financials to a huge spectrum of investors who in turn have the luxury of choosing among the plethora of proposals that lie before them as per their interest and appetite.
