# TERMS & CONDITIONS

**DEFINED TERMS:** This contract is between F5A LLC (d/b/a TechCon Global) (hereafter referred to as Producer) and the company listed above (hereafter referred to as Sponsor) for the TechCon Conference (hereafter referred to as Event)

**PAYMENT:** The sponsor shall pay the sponsor fee to the Event within 30 days of signing the contract and no less than 15 business days before the event. All sponsor payments must be received before the event. An invoice will be sent to you. All prices are net and non-commissionable—all payments will be made using US funds. Upon signature and completion of the contract, sponsorship shall be in effect. If the Sponsor fails to make the required payment promptly, the Event may terminate this contract and the Sponsor's participation in the Event without further notice and without obligation to refund monies previously paid. Event reserves the right to refuse Sponsor's participation if Sponsor is in arrears or any payment due to Event. If payment is not made, Event is expressly authorized to make Sponsorship available to other entities without incurring any liability to the Sponsor. Event has the right to admit any company not in full payment by the deadline above from the official Event website and virtual platform.

**SPONSOR CANCELLATION:** If Sponsor desires to cancel this contract, Sponsor may only do so by giving written notice thereof to Event with evidence of receipt. In such event, Sponsor shall be liable for the following cancellation fee: 50% of the total cost of Sponsor's participation if such cancellation is received by Event five months before the Event date listed on the Contract and 100% of the total cost of Sponsor's participation if such cancellation is effective within three months of the Event Date on the Contract. The Event must receive payment of the cancellation fee within 15 days after cancellation. The effective date of the cancellation will be the date written and received by the Event.

**CANCELLATION OR INTERRUPTION OF EVENT:** If for any reason beyond the Event's control (e.g., fire, casualty, flood, epidemic, earthquake, explosion, accident, blockage, embargo, inclement weather, governmental restraints, acts of public enemy, labor or civil disturbance, impairment or lack of adequate transportation, technical or power or connectivity outages, inability to secure sufficient labor, technical or other personnel, municipal, state or federal laws, or act of God), the Event, or any part thereof, is prevented from being held or interrupted, Producer may cancel the Event. In such an event, the Producer shall not be responsible for delays, damage, loss, increased costs, or other unfavorable conditions arising by virtue thereof, and the Sponsor waives claims for damage arising from that place.

**POSTPONEMENT OF EVENT:** If the event is moved to a new date, the Sponsor has the option to apply the value of the Agreement to a future quarter or year live event or other digital engagement opportunity offered by TechCon commensurate with the same sponsorship level.
