

Once in a Blue Moon Picnic Jamboree

Oct 23, 2022 3:00-9:00 PM

Location:

Drake Creek Golf Club

Torrey Pines

Ledbetter, KY 42058

On October 23, 2022 Joe Clark, Mama Said String Band, and JD Shelbourne will take the stage following a family-style carnival! It's a 'Once in a Blue Moon' event you won't want to miss.

What's more, **all** of the profits from the day will benefit two amazing groups of kids - on opposite sides of the state!

The *Student Equality Advisory Council* at Paducah Tilghman High School is an emerging club that focuses on bringing inclusion and equality to the school and community. With funds raised from this event, the group will have the opportunity to attend a conference with other like minded students from schools around the country!

606 Children's Relief is a fund that began when the flood swept through Eastern Kentucky, leaving many kids without toys, games, books, or clothing - or a place to lay their head. To date, we have delivered over 500 backpacks to children affected by the flood, and each was filled to the top with donations! With proceeds raised through this event, we will be able to continue outreach in Eastern Kentucky area by providing: Thanksgiving dinner, winter coats, hats, and scarves, as well as Secret Santa gifts in December. This fund accepts donations at 502RevolutionaryEvents.com for its continuance, and every dollar helps!

By sponsoring a band, the venue, or a carnival game...you are helping us reach our goal of \$15000.00 in donations. Your contribution, of even the smallest amount, gets us closer to this goal. We need you to join our community for this event!

Through your partnership with 502RevolutionaryEvents and the Once in a Blue Moon event, we can demonstrate that Kentucky is one community...and it is through this community that we can grow as a Commonwealth!

We hope we have your support and look forward to your help!
