Dear Dr. Samuels:

The 2023 Annual Report for the M.Arch. program at Washington University in St. Louis was reviewed during the April 26-27, 2024, meeting of the Board of Directors of the National Architectural Accrediting Board (NAAB).

Based on the review of the Annual Report, the NAAB directors voted to accept the Annual Report and require a Special Report to address the following areas:

Condition 5.4: Human Resources and Human Resource Development

The licensing advisor has not attended a recent NCARB Licensing Advisor Summit. The program must demonstrate that the advisor has attended other training opportunities to stay up-to-date on the requirements for licensure.

The program must provide a narrative and supporting evidence to demonstrate compliance with these Conditions. The Special Report is due no later than **June 30, 2024**.

Please feel free to contact us with any questions at accreditation@naab.org.

Sincerely,

Stephen Schreiber, FAIA, NCARB, DPACSA
