Who We are

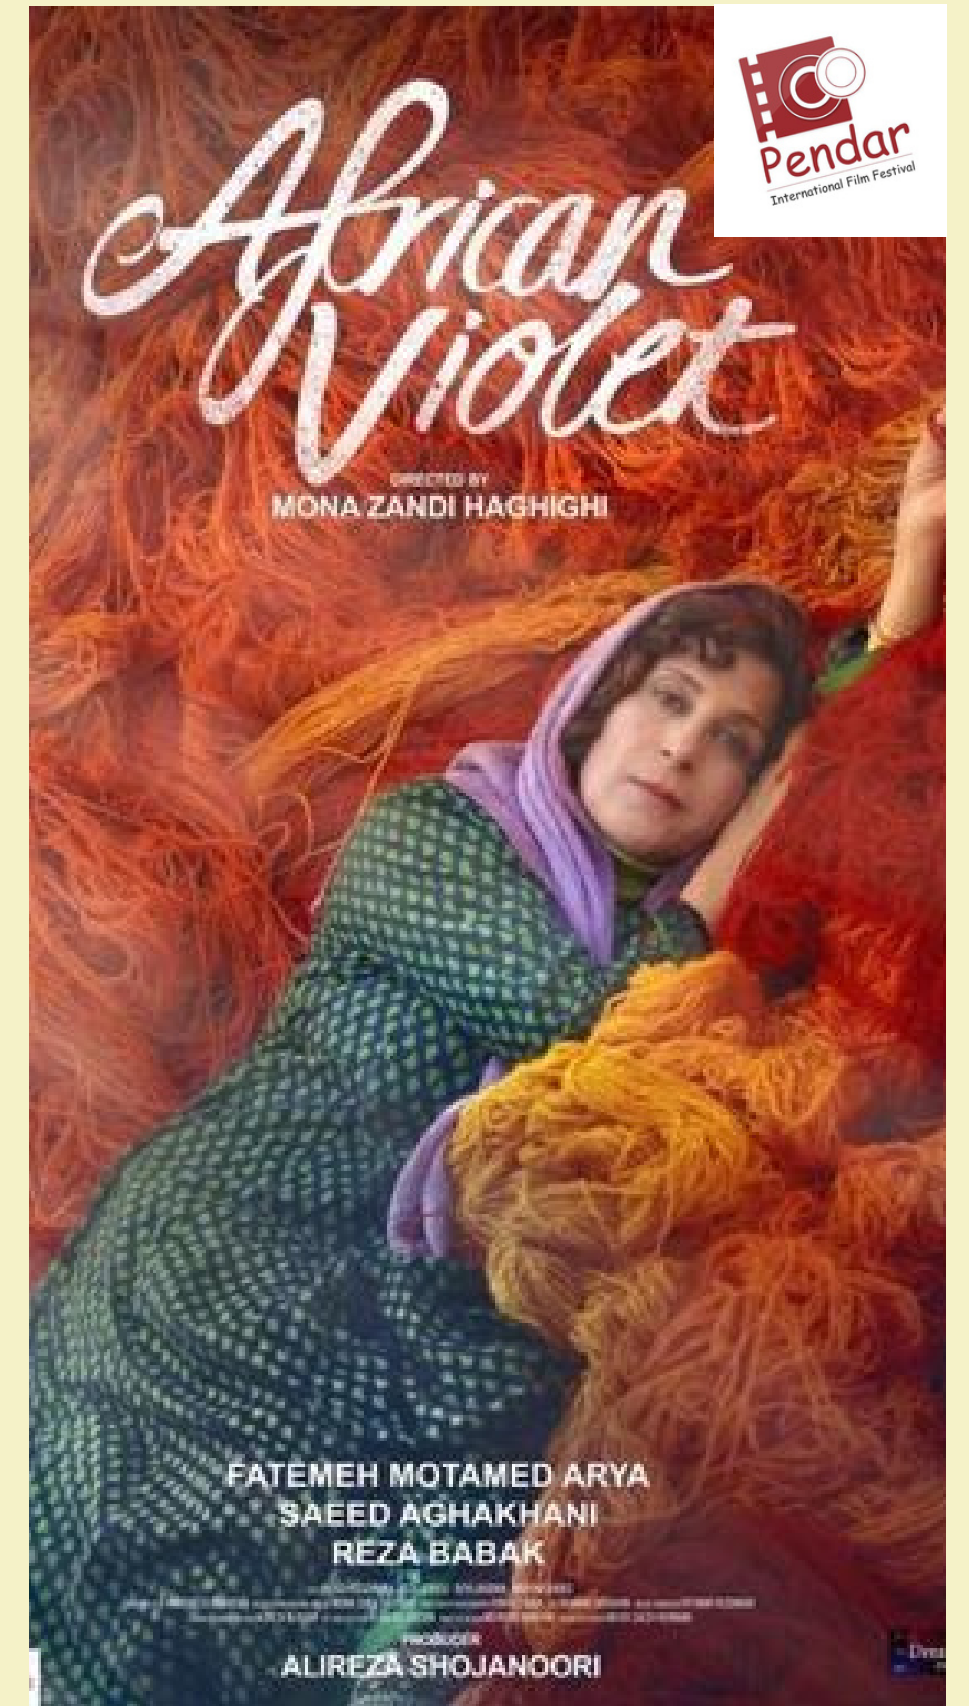

The Academy For International Culture and Professional Education

Our mission is guided by a vision of interconnected humanity, where all individuals, peoples, and communities work toward cherishing diversity, establishing social justice, and fostering a peaceful, amicable world.

Our History

- We have organized over 10 impactful social and cultural events, including a groundbreaking women-empowering film festival.
- Worked toward empowering local groups, including refugee camps and Chapters, by offering volunteer support for professional and social development.

Who we Support

Every dollar counts!

Facilitate educational needs

Educate and empower the South California community

To help learn and improve

Nowruz Gala

SPRING OF HOPE

Engage in growing community

The event is set to welcome more than 400 guests, predominantly small to medium business owners or consumers, from the burgeoning Iranian-American community, eager to embrace new culinary experiences.

Empower SoCal Iranian Community.

Embrace the Next Generation of Artists: Cultivating Vibrant Young Talent in the Southern California Community.

Cherishing Diversity

This is where Iranian warmth meets global diversity. The event fosters a rich cultural collaboration in a diverse environment, showcasing both traditional Iranian warmth and a vibrant exchange of cultural expressions.
