Synopsis

Love is often said to be blind, and Brielle 'Bri' Smith knows firsthand that love can hurt coming from the wrong man. Despite this knowledge, Bri and her best friend, Terri, applied to and were accepted to an Jacksonville College, a top HBCU, were eager to take on college life and all the challenges it carried. It didn't take long before her natural beauty caught the eye of a local spoken word artist. However, her lack of experience with love made his 'tough love' seem normal.

Despite her friends' warnings, Bri couldn't bring herself to leave him alone and continued to make excuses for his behavior. Soon Bri must choose whether her love for him is more important than her love for herself. Will she continue to be blinded by love or will she emerge as a survivor?"
