

JUS.viibe

What is JusVibe?

Themed based events planning business, cultivating safe and vibrant spaces for people of color to have fun, build community, and make meaningful connections in the Bay Area and beyond

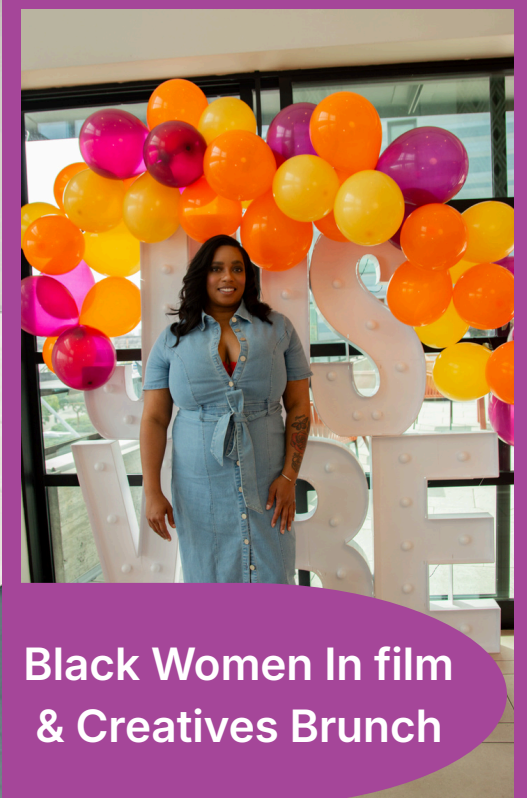

Rodeo Line Dance Jam

2000s BBQ

Winter Wonderland

Black Women In film & Creatives Brunch

VISION

To be a dynamic, mobile community where people of color can connect across cultures, explore new experiences, and build lasting networks.

#Vision

Meet the Founder - Morgan Lewis

Morgan is a Bay Area native filmmaker, educator, and creative. Jus Vibe was born from her desire to build meaningful connections within Black and Brown communities beyond traditional club spaces or day parties. Through curated events, Jus Vibe creates lasting experiences rooted in joy, culture, and community, offering spaces where people can truly connect and experience a vibe they may not have encountered before.  **Jus.vibe**
