## ABOUT SESH FEST-LA

Join us in creating history with the first-ever 420 Festival of this magnitude in Los Angeles.

Picture a visually stunning event with games, delicious food, live music, and an unforgettable atmosphere. This isn't your typical cannabis gathering – we specialize in crafting unique and memorable experiences. We're looking for sponsors who want to be part of something extraordinary, not just another event with no real charm. Forget basic tents and tables – we're redefining the cannabis festival, aiming for the scale of Insomniac or Golden Voice events. This an elevated 420 experience.

Your support will help us build an exceptional experience that stands out and lasts. Be a pioneer, and let's redefine what a real smoke-fest can be!

## 420 MARKET SNAPSHOT

Our ideal attendees are the trendsetters, the music enthusiasts, and the cannabis connoisseurs of Southern California. Picture a diverse crowd, ranging from young professionals to seasoned festival-goers, all united by a shared passion for music, cannabis culture, and vibrant experiences. They are the seekers of the extraordinary, individuals who appreciate the fusion of aesthetics, entertainment, and a celebration of the cannabis lifestyle. This is not just an event; it's a gathering of those who crave an immersive, one-of-a-kind experience, ready to be part of a movement that redefines the boundaries of what a cannabis festival can be. Join us, and let's create memories that resonate with the free spirits, the trendsetters, and the lovers of life. **\*\*This is a 21+ event\*\***
