

The background of the entire image is a photograph of a modern building with a glass facade. A large, white, stylized 'X' is superimposed over the building. The building has multiple stories with many windows, some of which are reflecting the sky. The sky is a clear, pale blue. The building's facade is a mix of dark and light grey panels. The 'X' is composed of two thick white lines that intersect in the center. The text 'ART AT THE' is written in a large, white, sans-serif font on the left side of the image, partially overlapping the building and the 'X'.
