LECTURE IN PLANNING SERIES

Colombia University Professor of Planning, Rachel Weaver presented her lecture, "Urbanizing the Urban: Planning, Design, and the Future of the City," on September 11, 2018, at the University of Pennsylvania.

A series of eight lectures will be held in the fall, focusing on the future of the city. The first lecture, "Urbanizing the Urban: Planning, Design, and the Future of the City," was presented by Rachel Weaver, Professor of Planning, Design, and the Future of the City, at the University of Pennsylvania. The lecture was part of the "Urbanizing the Urban" series, which is a collaboration between the University of Pennsylvania and the University of Chicago.

The lecture series is a collaboration between the University of Pennsylvania and the University of Chicago. The series is a collaboration between the University of Pennsylvania and the University of Chicago.

The lecture in Planning Design Series is an extension of the Urban Planning program. It is a series of lectures that will be held in the fall, focusing on the future of the city. The first lecture, "Urbanizing the Urban: Planning, Design, and the Future of the City," was presented by Rachel Weaver, Professor of Planning, Design, and the Future of the City, at the University of Pennsylvania.
