

CREATING INNOVATIVE SOLUTIONS FOR OUR NATION'S HEROES

Challenge America and the VA Northeast Ohio Healthcare System will partner to launch the first CAMVETS program in Cleveland this April!

This program enlists the talents of engineers, designers and other professionals who come together to create innovative solutions to the unmet needs of injured Veterans.

CALL FOR PROJECT LEADERS AND MAKERS

Lead or join a team of innovators dedicated to one injured Veteran's daily challenge and make a direct and lasting impact on his/her life.

Learn something new, network with industry leaders, change a life, and have some fun!
