# THE EVENT.

This year marks the 23rd ANNIVERSARY of the Las Vegas Juneteenth Festival. What began as a simple art event and fundraiser has now grown into a city-wide event attracting thousands of attendees each year. The LVJF is a festival of music, art, dance, commerce, culture and more.

# THE EXPERIENCE.

Juneteenth is the embodiment of transformation of hobby into art and tradition into culture. It conjures up a culture rich in AMERICAN TRADITIONS and values as well as global influences. It is a festival of families coming together to celebrate achievement, education, commerce, art, health & wellness, all to feed the soul and embrace and enjoy the experience.

# THE JOURNEY.

On June 19, 1865 Union General Gordon Granger arrived in Galveston Texas with a contingent of US colored troops and delivered the message that the last American Slaves were now FREE. This announcement resulted in days of celebration. The abolishment of slavery freed ALL AMERICANS, not just slaves from the shackles of slavery.
