

Audio Transcript: Darren Bader on Love and Freedom in Augmented Reality

Darren Bader:

Love, all caps, L-O-V-E. The title comes from perhaps a Christian love of Christ. These AR sculptures were conceived for Venice, Italy, back in 2019, for the Venice Biennale, where you're surrounded by Catholic churches. I made about 25 works, augmented reality, AR. Yeah, there's a freedom to it that I hope to continue to be privy to.
